You're always welcome at Aranlaw House

Aranlaw House Care Home continues to build on its success as it was again awarded an outstanding rating by the sector regulator CQC in February 2020. The Home provides specialist care for those with complex dementia.

Aranlaw House benefits from highly dedicated and experienced team where no acts of kindness are ever wasted, no matter how small. Staff are led by people who listen to residents' wishes, desires and preferences to ensure that fulfilled lives are lived. Aranlaw House is a real home from home that has as much personality as the people who live there.

Aranlaw House has always been exceptional at thinking out of the box to support our residents to fulfil unmet goals.

This has been achievable by working closely with both our residents and their family members which enable

us to provide a variety of entertainment from grand events to weekly musical performances, from weekly trips out into the community to flower arranging, which gives Aranlaw that bit extra to reach each resident in a more personalised way.
